Key UI / UX Highlights

- **Logo Navy (#143C78) & Agro Green (#50A014):** Direct color harmony from the official logo creates an authoritative, trustworthy brand atmosphere.
- **Touch-Optimized Hierarchy:** Clean, distinct platform cards with high-contrast color badges to ensure recognition in outdoor farm lighting.
- **Bilingual Presentation:** Seamless combination of the Amharic slogan *"የብልህ አርቢዎች ምርጫ!"* with standard international branding.
- **Ultra-Lightweight Codebase:** Pure HTML5 & CSS without heavy JavaScript frameworks ensures sub-second page loads even on 3G farm connections.

Why Smart Deep-Linking is Essential

Standard web links usually open inside the mobile browser where users are **logged out**, resulting in severe drop-off.

□ Standard Web Links
- Opens in browser
- Asks user: "Log in with password"
- 70%+ bounce rate without following

✔ A7 Smart Deep-Link
- Opens native app directly
- User is already logged in
- 1-tap follow / subscribe / connect!

Implemented Protocol Handlers:
